Unisonics introduces Unisteel Australia

Unisonics Australia is excited to announce the release of the newly formed division, Unisteel Australia.

Unisteel is an Australian owned and operated business with over 30 years experience in **Stainless Steel design, fabrication, product equipment and development.**

Unisteel Australia specialise in design, fabrication and fit out of stainless steel tanks, sinks, wire baskets, frames, racks, cabinets, benchtops and trolleys.

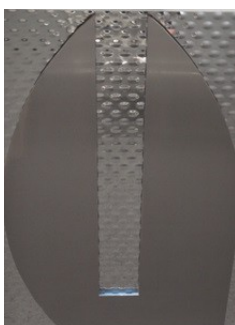

As well as offering a range of fabricated products a cut, weld, bend, punch and machine services is available for your custom requirements.
