

UNISONICS

AUSTRALIA

ULTRASONIC CLEANING

WELCOME

Welcome to issue three of the Unisonics newsletter. This issue introduces the new additions to the team of Unisonics and covers the release of the new division of Unisonics, **Unisteel Australia**.

New Members

Unisonics Australia would like to welcome two new members to the team ...

Paul Hambridge has owned and operated a small business for over 10 years and brings with him a wealth of experience & knowledge in sales. Paul is currently the Unisonics new sales manager. Any enquiries or any general questions please contact him on 02) 9939 0090

Peter Merchant has become the factory manager working in all aspects of stainless steel fabrication. He brings over 30 years experience in sheet metal work and can be contacted on 02) 9939 4800

UNISTEEL WEBSITE

STAINLESS STEEL SPECIALIST

www.unisteel.com.au
(UP AND RUNNING EARLY JUNE)

Unisteel Australia has become the new division of Unisonics focusing on **stainless steel design, fabrication and product development**.

Our aim at Unisteel is to provide you, our client with a complete service experience with solutions for all your small to medium range stainless steel projects.

Our experienced tradesmen are ready and willing to assist with your every requirement.

Work is carried out in our fully equipped workshop, however we also offer the flexibility to perform field work.

What separates Unisteel from all other competitors is the unique design and finish we offer on our stainless steel products.

We are able to deliver an extensive selection of designs and patterns creating an exciting feature for you.
